

Hello Campers and Parents!

We are so excited to be hosting Bible Club Camp this year and we can't wait to see everybody! It's our desire to learn and grow together concerning a personal relationship with Jesus. In this letter you will find some important information to help you be the most prepared for a fantastic week!

Camp begins on Monday August 11th with registration at the Alpine Center from 2-4pm. You will need to bring the included health form, camp payment in full (if you have a balance due) and spending money for the snack and craft shops. Two crafts are allowed each day at no cost to you. Camp ends on Saturday August 16th with campers needing to be picked up by 10am.

Next here's a list of things to bring to ensure that your camp experience is great. Most important is your Bible. Don't have one? No worries! We will have a few extras. A notebook and something to write with are highly recommended! Third, a camera will be helpful for remembering all the great camp memories and friends you will make. We are a cell phone free camp, so we recommend bringing a disposable camera. Finally, a great attitude and lots of energy are highly encouraged as this will be a packed week full of games, Bible teaching, and building relationships. A list of other clothing and toiletry items is included on the back of this letter along with items that need to be left at home.

We strive to ensure that camp is a safe and fun place to be for all. Parents, if you have any questions or concerns feel free to reach out to one of our camp director, Jeff at any time before camp. Camp has made an incredible impact on the staff that serve with camp, and we are excited to share that with all of you!

We are so excited to see you all again this year and we welcome all first timers!

Sincerely,

Jeff Simpson
